

2014 Sponsorship Opportunities

We'd like to thank you for your continued support of the Washington Section of AWRA over the years and are hoping that you will consider sponsoring the Section in 2014. By becoming a Section sponsor, you will earn the recognition and gratitude of water resource professionals throughout our state. Sponsorship benefits include recognition on our website, in emails, at dinner meetings and the annual conference, and in the newsletter; as well as free memberships and discounted conference registration. Benefits begin as soon as we receive your sponsorship check and continue through the end of the calendar year. So don't delay, send in your sponsorship check and start receiving benefits immediately. See the attached table for details.

We also encourage our corporate sponsors to consider other opportunities for their voice to be heard by writing articles for the newsletter or presenting at one of our dinner meetings or the state conference. We welcome your feedback to make our events as interactive and valuable as possible for our members

To participate, please fill out this form and return it to the address indicated below along with a check made payable to AWRA Washington Section. If you have any questions, please contact Scott Kindred (skindred@aspectconsulting.com). The AWRA Washington Section is a Washington state registered, federally recognized 501(c)(3) non-profit organization. For your records, our federal Tax Identification Number (TIN) is 91-1203579.
